

# OVER THE WATERFALL

FIDDLE TUNE

AMERICAN

This transcription was adapted from *The Clarke Tin Whistle* by Bill Ochs. The book features complete instruction for beginners, an ornamentation tutorial for advanced players, plus 83 great traditional tunes from Ireland, England, Scotland and early America. All these pieces are played on a 74-minute companion CD. The book, CD, whistles and more are available at [www.pennywhistle.com](http://www.pennywhistle.com).
